

## **AGM REPORT OF THE COUNTY COMPETITION SECRETARY**

**7TH DECEMBER 2020**

How very different is this year's Competition Secretary's report. Last year, I was bemoaning the fact that our entries were down on the previous year – and this year? Well none of us saw that coming.

I was just about to prepare the tee times for our first competition of the season – the Mixed Greensomes to be held at Newquay on 29<sup>th</sup> March, when we all went into Lockdown, and, as you all well know, this was as near as we got to any County Competition this year. This meant cancelling all the venues for the rest of the 2020 and refunding all the entries. Many thanks to Mo Hammond, our Treasurer, for organising all the refunds for me.

However, all the organisation of the competitions and the booking of the venues for 2021 still had to be done and a draft Diary for 2021 prepared. As far as these forthcoming competitions are concerned, we still don't yet know how things will go over the next couple of months and obviously, it will be up to the Committee to decide whether these go ahead or not. All information regarding this will be on our CLCGA website, so please, no entries until we know whether each competition is running or not.

Now on a personal note, having been County Competition Secretary for the last three years, it is now time for me to hand over the role and I am very pleased to tell you that Debbie Harmer from Looe Golf Club has agreed to take over. Also, Di Hillage from Cape Cornwall Golf Club has offered to be a willing assistant. At this point, I would also like to thank my personal 'wing man' – Jenny Potter - I couldn't have done it without her.

I have met so many people from all over the County and at different golf clubs, all of whom are extremely welcoming and work so hard to make these events run smoothly and are happy and memorable days out. I look forward to the time when we can all enjoy them again.

Jacquie Lang

County Competition Secretary
