

CORNWALL GOLF

Applications are invited for:

Director of Communications

The unification working group are looking to appoint a Director of Communications for the new unified body of Cornwall Golf Limited.

The unification working group are looking to build a team of directors that will bring about change and a new direction for golf in Cornwall.

This voluntary role will be key to the future of county golf working with the chair, board members and sub-committee members.

More information including Role Description can be found on either the Cornwall Golf Union or Cornwall Ladies County Golf Association websites on the unification pages. Alternatively click the QR code below.
