

**JOINT STATEMENT BY THE CORNWALL GOLF UNION
(CGU) AND
THE CORNWALL LADIES' COUNTY GOLF ASSOCIATION
(CLCGA)**

Both the CGU and CLCGA agreed in principle to county unification in the autumn of 2023. Both committees view unification as the best way forward for the future of golf in Cornwall. To this end a working party has been established with representation from both committees and is being supported by England Golf. As we prepare to join the 10 counties already unified, leading the way in Equality, Diversity and Inclusion, we believe this will maximise opportunities for one and all.
